

Steph Collins
Business Development Manager

LIVING AS A
LEADER[®]

As the Business Development Manager, Steph is involved in the marketing and sales efforts for Living As A Leader. She ensures effective brand marketing communications and the sharing of valued content. As well, Steph is instrumental in advancing relationships with organizations who have a vested interest in developing the talents of their leaders as well as emerging leaders. Steph's role works alongside the leadership team in the execution of marketing campaigns and managing relationships for Living As A Leader, both on a local and national scale.
