In today's world of technology and just-in-time learning, Living As A Leader incorporates the use of learning technology tools to enhance the Leadership Development System learning experience. This includes both eLearning courses and the Living As A Leader® Mobile App.

**eLEARNING COURSES**
eLearning courses are available to all participants of the Leadership Development System or Series. With eLearning courses for all 12 Living As A Leader® workshops, they can be used as a refresher to complement facilitator-led training, or as a convenient way to make up a missed workshop. Ranging from 20 to 30 minutes each, our eLearning courses provide the following:

- An abbreviated look at key leadership skills and tools from each workshop
- Informative and engaging learning, with the use of voiceover and interactive activities

**CONTINUED ACCESS**
Upon graduation of the Living As A Leader® Open Enrollment Leadership Development Series or Leadership Development System, leaders can refresh and reinforce their skills they learned in the workshops with lifetime access to the Living As A Leader® Mobile App. eLearning courses can be purchased for continuous subscription.

**LEARN MORE**
